OPENING ADDRESS BY MR LUI TUCK YEW, ACTING MINISTER FOR INFORMATION, COMMUNICATIONS AND THE ARTS, AT THE INFOCOMM MEDIA BUSINESS EXCHANGE OPENING CEREMONY ON 15 JUNE 2010, EXPO HALL 2

Honourable Ministers,

An interesting example of the products and services developed by our local companies is TANGOFX by ABOVE Technologies. TANGOFX allows users to share media content across networks and different devices, and provides for a more interactive and personalised consumer experience for viewers.
